DEATH OF MR. TOM AMES.

7-6-1906

Mr. Tom Ames, a well-known and highly esteemed citizen of Ocean Springs and a Confederate veteran came to an untimely death by an accident which occurred on the Lienhard tram road at Cedar Lake last Friday morning. It is supposed that one of the logs fell from the car, carrying him with it. He fell under the cars and probably death was instantaneous as his body was badly mangled. Arrangements had been made to add some very interesting military ceremonies to the obsequies usual on such occasions, but the condition of the body and the extreme heat made a hasty burial necessary. He was laid to rest in Evergreen cemetery, services being conducted by Rev. Father Peter De Geyler of St. Alphonsus Catholic church.
